

# Integrated Pest Management in Ohio Schools

**Are you in compliance???**

**Ohio passed two new rules: Pesticide Use in Schools & IPM Standards**

The Ohio State University Extension Entomology and the Pesticide Safety Education Program are helping Ohio's schools comply with Ohio's Pesticide Laws regarding schools and Integrated Pest Management Rules. The goal of integrated pest management is to utilize available methods and tools to manage pests in a safe and effective manner.

**Please Attend!**

Registration is Free!

**Ohio State School IPM Workshop  
June 16, 2010 @ 9 am  
Montgomery County Educational Service Center  
200 S. Keowee St.  
Dayton, OH 45402**
