**OPMA 2019 Annual Winter Meeting and Training**

School Recertification Credits

Requirements for your recertification as verified by the State of Ohio are:

1. Five (5) hours every three (3) years, with one hour in CORE and at least ½ hour in each of the categories the individual is licensed under.
2. The remaining time/credits can be in any category.
3. The categories typically offered through OPMA Recertification Training are: CORE/12, 7, 10A, 10B, 10D and 10C. There is no recertification for Category 12. The CORE category is all that is needed for this requirement. If you have questions on what you need, contact the Pesticide Division of ODA at (614) 728-6987. Please note that OPMA does not license. Licensing is done through the Ohio Department of Agriculture (ODA).
4. In addition, recertification credits will be offered in various categories as noted on the training agendas for the States of **Ohio, Kentucky, Michigan, West Virginia, Indiana, and Pennsylvania**, pending approval.
